

Wireless crane scale Technical Specification

Model: OCS-01

Description:

Auto battery capacity display

Overcharge and over discharge protection

IP65 waterproof and dust proof

High precision load cell, slight waggle will not affect weighing

Auto off, save power and battery's life span

Alarm: Overload, battery capacity less than 50%

Environmental Conditions: Temperature 0°C - +40°C, Humidity R.H<95%

Detailed parameters:

Max. Capacity (kg)	Min. Capacity (kg)	Division (kg)
1000	4	0.2
3000	10	0.5
5000	20	1
10000	40	2

Accuracy class	III
Tare weight	100% of capacity
Stabilization Time	Within 10 second
Display	5 digits, 30mm LED/LCD
Factory proof load	125% of capacity
Power	Rechargeable 6V/4AH
Remote Range	≤20m
Temperature	0°C – 40°C
